

# Student Guidelines for Camp

The week at Encounter God's Presence camp is where God wants to radically change your life. We want to see you receive from God in a powerful way. So it is important, to please help us eliminate as many of the outside hindrances and distractions that you are probably faced with on an ongoing basis. It is our desire to provide a week that is an atmosphere saturated with the presence of God. In order for our camp to be successful, we have established the following guidelines. Please agree to the following before leaving home.

1. Come with a desire to hear from God and expect Him to impact your life.
2. Make sure your leader always knows where you are.
3. Be on time at each session, activity, and meal. Respect all curfews and get good sleep.
4. Abstain from bringing any electronic devices, and any questionable literature. Cell phones are a privilege and can only be used during certain times. They must be on silent during services and only used for Bible applications.
5. No water guns, water balloons, shaving cream fights, or "rough-housing" allowed. Disruptive, destructive, or dangerous behavior is prohibited. You will be responsible for replacement of anything you break.
6. There will be no leaving the campus or inviting guests without the approval of your youth pastor and camp leadership.
7. Armbands must be worn at all times for identification and security, and will be used as your meal ticket so please keep them on your wrist.
8. This is a university campus with no housekeepers so clean your rooms before leaving each morning. Please make your bed, keep your clothes in or "near" your suitcase, keep all trash picked up, and keep the bathrooms free from clutter and the floors dry.
9. We challenge you to not allow romantic relationships or emotions to distract you from what God has for you.
10. Be ready to have an amazing week.
